

Today it is vital to offer your Students the ability to pay by card. Card payments offer Students/Parents a convenient method to pay for tuition and fees including uniforms, books and canteens. It also reduces the volume of cash you hold on your premises.

How AIB Merchant Services can support you

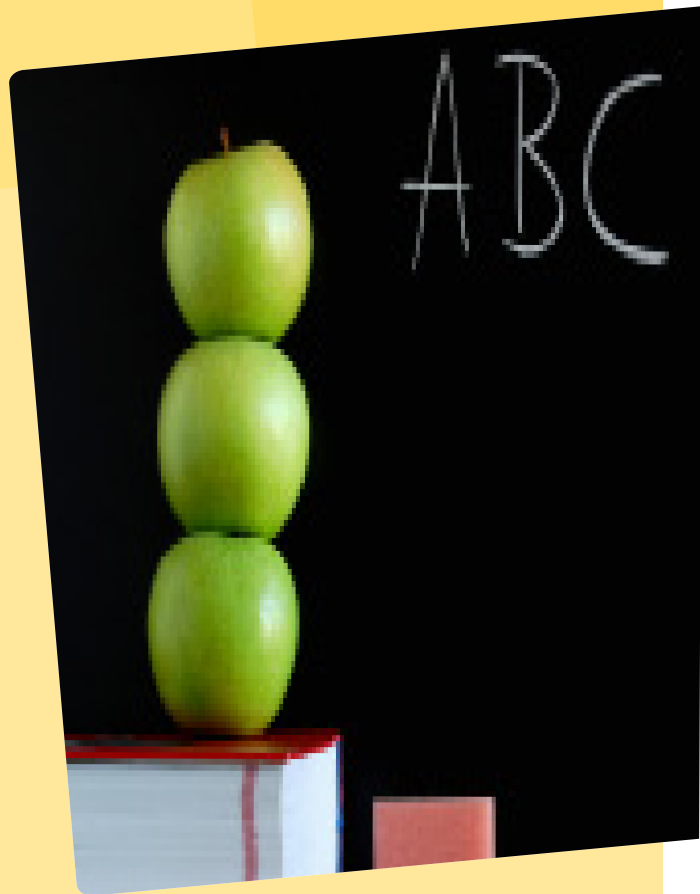

We currently provide card acceptance services to thousands of Merchants in Ireland, the UK and internationally, including a number of large educational institutions. We therefore, have the expertise to assist you in deciding the most appropriate payment solution for your business.

AIB Merchant Services offer a comprehensive range of payment solutions for schools wishing to accept electronic payments in multicurrency environments allowing you to take payments globally, satisfying your International student base.

We offer flexible solutions to meet your card acquiring needs, improve cash flow and reduce bad debt provision.

Our web based card acceptance facility (**Virtual Terminal**) enables you to accept Credit and Debit card transactions by phone. It can be activated on any PC with internet capability. This facility gives parents the confidence that fees have been paid securely and students are not required to carry cash.

We also offer cashless solutions for schools and colleges providing students/staff with a fast and efficient way to pay for goods and services using a virtual wallet similar to an ID card. This eliminates the need for students/staff to carry cash and reduces cash handling problems in schools.
