

It is becoming increasingly important to offer your Customers the most convenient way to pay for health services. Cards can be used to pay for so many services offered in the health sector from GP and Dental visits to private consultants and there are many ways in which you can benefit from card acceptance.

- Improving your cash flow as funds will be lodged directly to your account.
- Card acceptance reduces back office administration and improves your overall efficiencies.
- Fees and charges associated with cheque payment ie. insufficient funds etc... are eliminated.
- Increased security as less cash is held on the premises.

Whether you wish to accept cards face to face, over the phone or online, we have a range of options that can be tailored to your business and the AIB Merchant Services solution is designed with speed and convenience in mind.

We offer Credit and Debit card acceptance facilities including tailored solutions for Businesses operating in the health sector.

The **GPRS Mobile Terminal** is an ideal solution for accepting payment wherever the Customer needs to pay as the terminal connects through a mobile network. This is ideal for emergency call outs or Doctors travelling between clinics.

Our web based card acceptance facility (**Virtual Terminal**) enables you to accept Credit and Debit card transactions by phone. It can be activated on any PC with internet capability. This facilitates advanced appointments and reduces no show rates.
